“ Julie, Pat and family: I am so sorry for the loss of your father. (I work and am friends with the Webers). Julie has shared many lovely memories of the family traditions and loving relationships in this family. You will have those always and will be able to smile about them all some day. You are all in my prayers and know the love and support of your friends, family and God can get you through. ..

“ Lou Ellen and family, my heart goes out to you in the loss of your husband of so many years and father. Mom and Dad enjoyed many good times with you and there were many Saturday night card games. I am sorry that I was behind in reading the paper so did not see the notice until last night and missed the visitation times. I would have been there for Mom, Dad, Susie and me. My prayers are with you all.

“ Lou Ellen and family, we were so sorry to hear of your great loss. Dale always had a smile on his face and even though we haven't seen your family for years our thoughts and prayers go out to all of you at this time. I am so sorry that I will not be able to make it to the funeral and am truly sorry I didn't read the paper earlier to make it to the funeral home. Dad and Mom thought the world of Dale and I am sure he will be missed by all. Again from my whole family we share your sadness at this time. The Kenny and Eileen Adams Family
