“ Daniel or as we called him "Red" spent 18 months together in Germany. We were roommates...2 red heads running around the German country side. Too many memories.

“ Condolences to Dan's family. I did not know you, but you had an
amazing father. I was a librarian/media specialist in the Waterloo
Schools and so appreciated all of the work Dan did. When I thought
that there was a catastrophe, I could depend on Dan to make things
right. God Bless.
