“ *I am so very sorry to hear of your loss of Danny, a high school classmate of mine. I was always comfortable around him. He was friendly and would chat with me sometimes. He hosted a mini-reunion for all those living on the West coast and unable to get to the 50th in Cedar Falls. A few from Iowa came too. We all had a great time. Danny invited us to his home , which was very beautiful, and treated us all to dinner in a lovely dinner house. I guess it was about 2005 or a bit after. A very kind man. My sincere condolences. Virginia (Fowler) Thomas.*
