“ You don't know me, but I wanted to express mt sympathy. It's so hsrd to lose someone you love. Something that has helped me to cope are the words found in this song. Friends of our God, though they may pass away,will never be forsaken. All those asleep who in God's memory stay from he will awaken. If a man should die. cam he live again, hear the promises God has made. He will call the dead will answer They will live at his command So have faith and do not wonder for our God can make us stand. I hope this will bring you some comfort nw and a hope for the future

“ Dan and Leanne both worked for me at Delta when I was second shift supervisor. Dan was a very kind soft spoken man who took pride in his work. He was not only a coworker but a dear friend whom I will miss dearly. Rest in Peace my friend
