“ My family (Paulus's) and the Heth's went to church together for many years at Our Redeemer. Darla's son, Seth, was in my son, Jason's, confirmation class. I will remember Darla for her smile and enthusiasm. I'll look for you in heaven one day, Darla. I'm praying for your family.

“ There are too many memories to count growing up and learning about life together. I know what it's like to lose a sister before her time. It leaves a gap in your family. Her spirit will live on though. Blessings to you all. Debbie Hennings Andariese

“ I first met you at your church attending Bible school. We became friends... some 50 years ago. Since then we have celebrated birthdays, graduation, giving birth to our babies, our Mothers and Fathers passing, sharing the joys and sorrows of life. Building a life time of memories, always there for each other. My heart is heavy with sadness. I will always miss your smile and laughter and friendship. May you be at peace now my friend until we meet again. I'm praying for your family Darla...
