“ *My condolences to you and your family for the loss of your dear loved one. Losing a loved one is a distressing and painful time. We have assurance from God's word at Psalm 34:18 that he is near to those brokenhearted and he saves those crushed in spirit. It is my hope that your family will find strength to endure during the days ahead.*

“ I have always had a special place in my heart for Suzie. We had some very good times when she worked for me at the Police Department. There are always some people you always have good thoughts about and she was one. She and Sis always challenged me on most days but it was fun. Condolences to your family from Mick and Jan Reifsteck.

“ I was very sorry to read of your Mom's passing. I will always remember how much fun she and my mom had as Meter Maids! Also, how I gained a new friend, Linda, who was a new school pal. Plus, lil sister Lou. Thoughts and prayers are with you today and forever. love, Chris(Backerman) Hinz

“ *Linda and Bob-
Juanita and I send our condolences to you on the passing of your mother. Wish I had known that this sweet lady was your mother. We are learning the nuances of Dementia quickly as mom's disease progresses. Know that you are all in our thoughts and prayers.*

Thanks Janelle and Juanita. I'm sorry that your mom is suffering from this horrible disease also. I'm sure you two girls are taking great care of her. I'm glad that I got to know your mom and dad. They were very special to their Southdale family.

“ *I hope Suzie knows just how much she will be missed. I took care of Suzie for the last 8 months. I would look forward to coming in for my shift to see her smiling face everyday. There wasn't a single person that met her that didn't love her to pieces. I'll always remember the day she pulled the fire alarm at work when state was here and just smiled and said, "Yes. I did that." It was the little things like her stealing our apple sauce off the nurse's carts and just sharing laughs that we will remember. She was sassy, and angry, and sweet, and funny all in one & we wouldn't have had her any other way.*

My deepest sympathies to her loved ones.
