“ Janyce & Donald - Just a note to let you know that I have fond memories of your Mother, Darlyne. She was my Grandma "Obbie's" neighbor and I spent alot of time there which you may remember. Such good memories...I thought of your Mom & Dad at that time more as "grandparents" although now I know they were closer to age to my parents. They were so friendly and talked over the fence and I knew I had a "safe place" to turn to if needed. My thoughts and prayers are with you during this time and I hope you are enjoying many wonderful memories with your family. Jeanne (Jungling) Sammons

“ I would just like to say that it was a pleasure working and seeing Darlyne everyday at Bartels. I work in the Leisure Services Dept. and Darylne always had a smile for you whether she was in bed, getting her mail delivered to her, in your exercise class, or enjoying the Sunday afternoon coffee and entertainment. I have only worked at Bartels Retirement Community for 4 months but Darlyne and I had several "walk and talks" together down the hall in that time. She loved her family very much and looked forward to seeing and hearing from them. To the family of Darlyne's...she was an inspiration and a very "pulled together" lady. She was always dressed very nicely and always wanted her hair to look nice. She will be greatly missed at Bartels and it was definately a pleasure meeting your mother. My thoughts and prayers to you all until we all meet her again someday.....

Peace to you all.
