“ Finding the right words for the memory of a dear childhood friend who remained in my life throughout is very hard. David and I grew up across the street from one another until he moved several blocks away. Our friendship continued as we still played and sometimes I stayed with them over night. David has been within my thoughts and memories for so many years. I grew to admire him as a man of integrity and courage. We have stayed in touch throughout our lives, with many gaps, but with a friendship that does not fade with absence. . We have lost a wonderful light on earth, but a bright light has been lit above. David will be a memory with me for my life. Thank you Dave for being such a good friend. Condolences to Deanna and the children.

“ Please accept our sincere condolences. May the words quoted from this song bring you a measure of comfort as it did for us.  
"If a man or woman should die, can they live again?  
Hear the promise God has made:  
He will call; The dead will answer.  
They shall live at his command.  
For he will have a longing  
For the work of his own hand.  
So have faith, and do not wonder,  
For our God can make us stand.  
And we shall live forever,  
As the work of his own hand "(Job 14:13-15)

“ Dave was a jewel. I never met him face to face but he brought me a lot of happiness. I met him thru my job at Ingersoll Rand and immediately fell in love. Kind. Soft spoken. Godly. Heaven gained an angel. I know I'll get to meet you one day! Ginny Taylor

“ I am so very sorry to hear that Dave has left us. I have very fond memories of Dave and his family from when I was very young. Unfortunately I haven't been very close since but feel very fortunate to have known Dave and his family. He definitely sets an example of how to build a beautiful life and family. It's particularly painful when someone of such honorable character has to leave us, as it leaves such a large void in our lives. The Lord will fill them in and patch our broken hearts in time. Hang in there and love one another just as Dave would have. Love you all very much.

“ Ah, the days and nights working with Dave at the Foundry, the fishing trips we shared, the family concerns and celebrations we shared, the joys of kids and grandkids over the years and the waning days of the Golden Years. Though we didn't have the opportunity to share a lot the last few years I will never forget the loyalty, friendship and brotherly love we shared for a great part of our life time.

*I loved Dave like a brother and will miss his enthusiasm and excitement.*

*This man could fish with the best of them! He absolutely loved his family without exception and was always there for them. He was the same with his friends!*

*I know his body was failing him in the latter days but I am sure he was spiritually okay.*

*I am also sure Dave would say "carry on, make the best of what you have in this world and I will wait on the other side".*

*Oh great and faithful friend, I will join you later!*
