“ Dear Joni, Chase, Brock, Kayla, and all your family,

*Dave was such a vibrant, loyal participant for many years on the board of the Cedar Basin Music Festival (known during his service with us as the Cedar Basin Jazz Festival). We also benefited greatly from his leadership as our President*

*I came to know Dave for many more years as one of his loyal Dalton's customers! I can still hear him saying, "Hey, Jude, what can we do for you today?" I am deeply grateful to you for sharing Dave's final journey with so many of us on CaringBridge. My heart goes out to you all.*

“ The first time I met Dave, I was asked to attend a birthday party on a cedar river sandbar but I did not have a boat or means to get to the sandbar. I was instructed to park at blackhawk park, walk to the the river bank and wait, SOMEONE would be coming to pick me up. A few minutes later a Dark jet ski came screaming around the river bend, pulled up fast to the bank and instructed me to "hop on and hold tight!". He navigated the stump filled cedar river at top speed like a pro while I held on for dear life! He delivered me to the sand bar and once he shut down the watercraft he introduced himself as Dave.

I only knew Dave for a few short years but all the memories I have of him I will hold very near to my heart. From Tail gating in Iowa City to lazy days on the Cedar river, Dave was always someone that everyone was happy to see. Heaven gained one heck of a good man.
