“ I knew Dave (and Lori) from high school. Dave was in my class and all three of us were in band, I played flute. Dave was such a "cool" guy in school. He was super nice, kind of quiet, always said hi to me if we passed each other in the halls. Lori, I am so very sorry to hear this news, I never expect to see someone I knew listed and when I do my heart always drops a little more. I pray that you and your and Dave's family have God's arms around you to give you strength and healing during this difficult time.
