“ I know this is a little late, but I wanted to say that I miss you tons, Grandpa. I still have that picture of you with your hat on sideways. It still makes me laugh. I love you bunches!

“ To the family of Dean Kruse. So sorry for your loss. I remember all the times of spending the night at your house and getting all the 7-up I wanted. I thought that was pretty cool. Our thoughts and prayers are with you.

“ To the family of Dean Kruse. You have my deepest sympathy. Dean came to our Infusion Department for quite a few years and will be deeply missed. I see and meet a lot of really nice people here, there are some that truly leave a great and lasting impression and Dean has left one of the best. He was always so concerned about being a bother and he always so easy to take care of. I remember asking if he would like some coffee and he would always worry that we didn't have time. I always assured him I had the time. We will miss him. He was a great guy. Dennis
