“ you don.t know me, but I just wanted to express my sincere sympathy. It's so hard to lose someone you love. Something that has helped me to cope with the loss of a loved one is found in the words of this song; Friends of our God, though they may pass away, will never be forsaken. All those asleep who in God's memory stay, from death he will awaken. If a man{or woman} should die can he live again. Hear the promise God has made: He will call; the dead will answer. they will live at his command S o have faith and do not wonder for God can make us stand.. I will bring you some comfort now and a hope for the future
