“ Mike, I was shocked and saddened when you told me of Deb's passing. I knew the last couple of times I saw you both that she wasn't feeling well. I could tell because she didn't give me a hard time. I don't think I'm wrong when I say she enjoyed our "sessions" as much as I did. You know I always considered you both more than customers, you are my friends. Sheryl and I both offer our heart felt condolences and we are here if you want or need anything we can provide. Sincerely, Don

“ My name is Kim Vandendriessche and I teach Kindergarten at St. Pat's. Many years ago, I taught preschool and I will always remember how generous Deb was with bringing me cure note paper, stickers..... for me to use with my little students! I never knew when she'd pop in with more fun things but it was always a treat!! She made me feel so good about what I was doing and I am forever grateful!
Mike, you and your entire family are in our prayers.

“ *Deb was such a strong willed person that will be sincerely missed. She loved her gardening, her many crafts, her JD and most of all her Family. She had a distinct voice that I can hear her now. So much Love and Laughter to fill the room wherever she was at. May she keep a watchful eye on my sometimes ornery brother and give him a gentle nudge (or kick in the butt) when he needs it! With Love, Ken, Tracy and the Girls*

“ *We were so sad to hear about Deb and was looking forward to many future family gatherings. Our son Travis Scott was united in marriage to Beth, Deb and Mike's daughter last year and Deb never stopped smiling in spite of her struggle with health issues. I enjoyed seeing her posts on Facebook especially the ones about how much she loved her family. She cared greatly for others and she will be missed by all who knew her. We all know she is with the Lord and that is a huge comfort for those who loved her.*
