“ I met Deb several years ago when I learned they were my family. I haven't kept in physical contact but we did connect with FB. I always found her to be a happy bubbly person and believe I am better for knowing her and her kindness. God bless to her whole family and know you are all in my prayers.

“ I remember all of us cousins hanging out on the farm and how Deb and Diane would put rollers in my hair or put my hair up into a bun. Christmas at grandmas was also special all of us cousins Mike, Cathy Diane and Deb would get together. In my family it was all boys Danny , Mark Terry and bill and me Tina. I will always have fond memories of the times we spent especially when we was together at Aunt Donna's house and just being kids. Even then Deb had an old soul she was always the one who took care of everyone. I love you Deb. Fly high and keep watch over all of us still. (Tina Rohm)
