“ Mom, it’s hard to believe you are gone. And people had to come in between us and made it worse. If they were any kind of family it wouldn’t have happened and they would have told me you were sick and in the hospital no I didn’t hear a word until one hour before you died. I got one hour with you and that was not fair. They took a lot from me. We needed to talk to each other. They took away my grieving time with you. I will always remember, miss and love you with all my heart and soul. Love you your daughter Carla 🙏💔😭

“ Such a sweet soul, always gave more than she ever received. We love you grandma, gone but never forgotten. Happy to have had someone so close to my son’s life and his upbringing. I know you and grandpa are up in heaven making up for lost time.

“ Aunt Delores had the kindest heart. I just loved her, and she was just so sweet to me and always listened to what I was up to and would laugh. She and mom looked like the twins so when I would see Delores, it would make me cry thinking about mom. I'm so sorry for your loss but, I think about her in heaven with Dick and everyone who has passed before her. My deepest condolences.
