My thoughts and prayers are with you all at this time. I knew Dennis in the early 1970s. Dennis and his friend Dave drove a boom truck and were funny together. He was a person true to himself. Didn't care for school. He was in the marines for a short period. He cared for his family very much. He also had a close friend pat Schumacher (sp) who past away by being hit by a car on university. I know that bothered him at the time. Rip Dennis
