“ From Nick Halvorson (work friend):
I work several years in drafting with Dixie. At John Deere PEC, in the early days of doing Cad drawings Dixie had to share a Cadam terminal. I worked 5 am to 1:30 pm. Dixie worked 11:30 am to 8 pm in order for that terminal to be used by two people. She was a great work friend.

I'm a classmate of Carl's and met Dixie many years ago when she'd travel to Texas with Carl for our class reunions. A very sweet lady and we considered her one of us. I visited with Dixie by phone for several years and was glad to call her a friend. Rest In Peace Dixie....see you again someday ! Barbara Coskrey
