“ I first met Don about 2 years ago. I am a volunteer driver for the van from Black Hawk County to the VA Medical Center in Iowa City. I had the opportunity to give Don a ride several times as he was getting what had to be painful shots to his eye. Don was always on time, never complained about anything and had a great sense of humor. One day on the trip home he shared some of his experiences as a prisoner of war. He was very unassuming but in my mind he is a hero. I will miss him on these trips. My thoughts and prayers go to his family in this time of loss.
