“ Don had a love for fishing especially in Canada as do I. I met him on a trip to Golden Hook Camp near Red Lake. Ontario when I accompanied my neighbors Duane and Rose Mather who were best friends With Don and his wife Ruth. That would be the first of many memorable annual trips up there. I'm so glad to have known him and shared several weeks fishing with him in Canada. I know Don, Ruth and Duane are still catching Walleyes and Northerns up there. Can't wait to join them some day !!!!! Rest in Peace Don .....
