“ Donnie will always hold a special place in my heart. He was always so kind and thoughtful. I am honored to have known him and have such an impact on his life. Whenever I saw him he would greet me with a smile and remind me of how much I helped him through the tough times but even better I got to see him at his best! Thank you Donnie for allowing me to be such a huge part of your life. My deepest sympathies, I am thinking of you all through such a difficult time. I hope that you can find peace and comfort in your loss.
