“ Dear Michelle and Family,

Was so very sad to hear about your Mom. I was always great to run into her now and then, she was a lovely lady and we always still recognized each other! I still have her recipe for Oh Henry Bars she wrote out for me back in Girl Scout days❤️. Please know I'm thinking of you and your family and wish you peace and healing in the coming new year.

“ Donna had such a kind soul. My husband used to bounce her daughter Michelle on his knee at the bowling alley & get her so excited and Donna would try to calm her down so she'd quit bouncing. Such a fun memory.

She was such a positive person. I particularly liked her special laugh. I got a get well card from only about 2 wks before her passing. Quite something for me to hold onto in my heart. I have prayed for Donna almost every night for the past 2 yrs. Now i will pray for her family.
