“ *My prayers and thoughts for the family of Doris and remembering the MANY good times with them through the years. As we would visit Cedar Falls, we always had times with them - either at their home, at Fayes, or Bunnells. And they were with us in California as well. Such faithful people to our Lord, and now we know they are together again and at peace.*

*Thank you, Lord for their faithfulness to His work and in being servants for Him.*
