“ We want to send our sincere sympathy to the Mauer family. We had four boys who went to Southdale and had Mrs. Mauer for a teacher. We definitely realize they were blessed to have her for the instruction she gave them. One of the boys remarked that she always said "I want that paper returned on time in my hot little hand". We are aware she did many good things for the community of Cedar Falls.

“ One of my sons had Mrs. Maurer for sixth grade at Southdale Elementary around 1989. He remembers she would dim the lights and read to the students after lunch. He really liked her. She was a wonderful teacher.

“ *Sending my deepest sympathy to the Mauer family. My mother, Ann Rueber, couldn't have asked for a better friend for so many years, and I always looked forward to seeing Doris whenever I visited. She simply exuded love and compassion in everything she did. I also remember her interest when I began my teaching career and her enthusiasm in showing me some innovative activities she had developed for her students. It was an honor to have known Doris, and she will be remembered fondly.*

“ *The Mauer family has my sympathy. Doris was a special friend of my mother, Ann Rueber, and a friend to our whole family. She was still interested in what my siblings and myself were doing long after we had grown and moved away. Her unbounding energy seemed to be especially channeled into her caring love and affection for others. We were really blessed to have known her. Mark Rueber*

“ Sending my sympathy and prayers to the Mauer Family. I had the pleasure of visiting Doris over the past 8 years representing Morningside University. Doris always enjoyed hearing the updates and latest news about her alma mater. She was a proud mom and grandmother. We spent hours talking about Vince and Steve and their families. She was so proud of her grandchildren and all they accomplished. Doris was welcoming, full of life, and always positive. She was invested in community and people. She cared deeply and her actions showed it. I learned about her involvement with so many organizations and all the good she did. Doris will be missed by many. May she rest in peace. “ Sending our sympathy. Doris was a good friend of my mother, Ann Rueber. They were involved in a lot of things together both in community and church. I remember one time I couldn't get in touch with my mother and was concerned about her. I called your dad to see if he had seen my mother lately. He said he had and that she and your mother were at a meeting or doing something together. May the Holy Spirit comfort you. Lois Timmermann

“ Mrs. Mauer was my 6th grade teacher at Southdale back in the 60's. She was my absolute favorite teacher, she always had a smile and wonderful attitude towards all students. She was a great educator, it was easy to learn from her. I always wondered where Mrs. Mauer went after teaching, she was certainly a busy and respected woman. Mrs. Mauer, you were a blessing to me, and I am so honored to have had you as a teacher. May you rest in peace. My condolences to the boys. Kim (Kates) Croushore
