“ Dear Greg, Randy, Lori, Lisa and Families,
I was in Cedar Falls and considered visiting Doris but hesitant due to health reasons when I was made aware of her passing. Never easy to find the appropriate words but certainly wanted to share my condolences and that Doris could not have been more gracious upon the couple of times I ran into her at the Amvets or when I visited the house after Jack passed away. Many fond memories of my 2nd family. I hope all are well and again offer sincere sympathies.

“ Dear Randall, Greg, Lori, Lisa and family,

I was saddened to see the notice of your mother Doris' recent death. She and your late father, Jack, became good friends during my years as pastor at St. Patrick's. After your father's death I would hear from your mother by email regularly.

I will offer a Mass for your mother today. May Jesus the Good Shepherd grant her peace and rest in his presence along with your father whom she missed so much still after his death. May the same Lord grant all of you his comfort and consolation in the days ahead.
