“ Dorothy was always kind, inquisitive and supportive of any of the UNI student groups under my care that met and dined at her establishment. I probably will never come through Cedar Falls again. But if one thing could bring me there, it would be the emu meat she made available and well-plated.

“ Family of Dorothy Stitt: We are so sorry to hear of Dorothy's passing. She was a lovely, gracious lady, who always took the time to visit with us when we had dinner at our favorite place, The Broom Factory. I loved looking at and listening to her stories about her incredible eggs. She was a creative, kind, and warm person, and we will miss her. “ Dear Lynne and family,
I'm so sorry to hear about Dorothy's passing - she was a dear friend and boss and was always so wonderful to me. I loved working with her at the Broom Factory in the early 90's and have so many great memories. She even visited me a few times when she came to Arizona a few years ago. She was very talented and quite a personality - she will be missed.

“ I consider Dorothy Stitt to have been a very dear and kind friend. I worked at the Broom Factory from 1996 to 2001 and had the priviledge of getting to know her family and friends. God bless Lynn and family.

“ Dorothy was one of the kindest people I ever met. We lost our Waverly home in the horrible flood of 1999 and it essentially destroyed everything we owned. We were living in motels when I ran into Dorothy and she said "you can live in my house on Grand until you can find other arrangments." No lease, no worry about my finances...it was all month to month. It was wonderful. I told her everytime I saw her that God sent an angel to watch over me...and she was my angel. We will miss her.

“ To the family and friends of Dorothy Stitt: Dave and I were very saddened to hear of the passing of Dorothy. She was an institution in Cedar Falls. On all of our frequent visits to the area we looked forward to seeing her at the Broom Factory. She was a very warm, creative, beautiful woman who made the room light up when she was in your presence. God Bless her,

With our deepest sympathy,

“ My husband is a distant cousin to Dorothy and we met her when we were engaged. She was very sweet and lovable whenever we got together. She always made sure she had a moment to sit and chat with us. She even offered to do our wedding for us but, unfortunately, we had too many guests for her beautiful accomodations. She will be greatly missed by her friends and very extended family. God Bless You, Dorothy.
