“ *I am saddened to learn of Dusty's death. I have many memories of attending Lincoln School with Dusty. I know this sounds silly, but I remember Dusty's mom bringing the best treats to our class for his birthday! I also remember having a blast at his birthday party in about 4th Grade. My sincerest condolences to his family. I know he was dearly loved.*

“ *I remember Dusty from School at Holmes Junior High. I remember him being really sick then. I'm very glad to see he was able to overcome and accomplish so many things. I will always remember even when he was so sick he would still smile and joke around. He was good guy.*

My prayers are with his family in this time of grief.

“ It's been a long time, and many years since I last talked with Dusty. However, the times I spent with Dusty will forever be in my mind. From years of Saturday morning bowling to playing Zelda all night long, those times will never be forgotten. To Debbie, my deepest sympathy in your and your families loss. I wish I was not 1000 miles away, and could be there in person. God Bless.

“ Though we never met your son or you, we wanted to send our condolences. We have a 23 year old son who is in grad school at Columbia College in Chicago. His birthdate is April 9 too. He has a big smile just like we see in the picture of your son in the Waterloo Courier! We are so sorry to read of your loss. Dusty must have touched alot of people's hearts with that huge smile and sparkling eyes. Dale and Laura Schmitz
