“ *To the family of Dee Maucker:
My acquaintance with Dee goes back many years when I did my student teaching with Harold Weber at the lab School.
In later years, Bob and I visited Harold and Dee at their home on one of the Cullen Lakes near Nisswa, Minnesota.
My most recent contact with her was in 2004 at my UNI 50th college class reunion. Dr. Maucker was a member of the reunion committee that I was on and Dee was with him at a few of the meetings we had.
She was always a gracious and kind person.
Sincerely, with God's blessing on you.
