“ *Edna was a sweet, generous lady! She always seemed surrounded with her children, grands and great grands. And yet, she gladly opened her heart to the all the friends who tagged along. Oh! And those cinnamon rolls!!!! I know she will be greatly missed by her family. Praying God's comfort for all of them! Michele Aldrich*

“ *Edna was known to my sister & to me as Mrs. Kinzebach or Amy's mom! During our teen years of late nights & constant social activities, Edna was always sweet & gracious & accepting of our antics. Yes, she was still a mom with rules to be followed and consequences when they weren't followed! But she always had grace for us. I can only picture her smiling face, not any of the stern looks that I'm sure we warranted at times. She'll be greatly missed! Our love to Amy & the entire fam.

“ Our encounters of Edna were of seeing her & her family come into King's food host after church activities on Sunday night in the early '70s & at Lowayne & Diane's wedding. Such a loving person. That was a long time ago, but how she made you feel will never leave. RIP dear woman. Prayers to her family who will follow in her footsteps.

“ *Grandma K was such an important part of my life when I was younger and then part of my children's lives. She showed us love like we were part of her family. She was truly a very special and amazing woman and an inspiration. She will be truly missed. Her kindness, her love, her cooking :) and everything about her. She will always be loved by the King family.*

“ *I'm at a loss for words to describe how thankful I am to have known, to have loved, and been loved by your mom (& dad). She always had a kind & encouraging word. She will be missed, but so thankful for the Lord's promises of eternal life with him for all who believed in Jesus' sacrifice for our sins and accepted that free gift of love. I know this is a comfort for all of you, too. I will be praying for each of you. Edna was a genuine & sweet lady.... and yes, she made the best cinnamon rolls! 🙏💕*

As so many have already said, Edna always made you feel like part of the family. I especially looked forward to the Monster cookies she always made for me when I would come to visit Tim and Mary. She was a very special lady and our loss is Heaven's gain.
