“ *Marty and Sandy,*

I'm sorry for your loss. My thought and prayers are with you and your family. Anyone that could tolerate me being around their house when I was 10 years old had to be very kind and caring. The basketball bouncing and bouncing and bouncing in the driveway would aggravate anyone. How your father and mother tolerated I don't know. Great memories of the monopoly tournaments, kick the can, and the fun games in the hood. Take care.

“ *We are so sorry to hear about Edward. Seems like he lived a full life. We are sure your family has many wonderful memories of him. At times like this the Bible comforts me so much. Jesus said in John 5:28&29 there would come a time when those in the memorial tombs would hear his voice and come out. This would also be at a time when Revelation 21:3&4 says there will be no more tears, pain or death. This would all happen when God's Kingdom comes, the same kingdom that Jesus taught us to pray for in the Lord's Prayer. What a wonderful prospect for Edward and all those in the memorial tombs now. We express our deepest sympathy. We hope you find comfort in this time of loss.*

“ *Marty, Sandee, Mom
I just learned of Dean's passing and now feeling your loss. Dean was truly one of good people in my life. I remember as a kid, when Marty and I would head out for a nite on the town, Dean would always say " you two characters stay out of trouble tonight" and then he'd wink at me as to say, that was really a dumb thing to say to you two clowns. Marty, thanks for letting me get to know your family any my prayers are with you all.*
