“ As we were growing up, some of my best memories were when Ed & Pauline and Janis would come to visit. While our parents were enjoying a delightful evening of engaging conversation, we would be playing board games and having the most fun. So many memories of good times with your family, Janis! I always think about Uncle Ed's beautiful smile & what a kind man he was. May he rest in peace!

“ My sympathies to all of you.
My favorite memories were when I was asked to go camping with Jan, her parents and grandparents.
God grant you peace during this time.

“ He served with the Cedar Falls Police Dept with me. I wanted him to stay, he wanted to go back to Clays. The Dept lost a good man and I missed a good friend. He was a great person to know and be with.

“ Sorry to hear about Ed passing away. I was a sales rep. for Clay Equipment in Mason City and Ed was so helpful with my shipments during my work for Clay. He was always so happy and great to get along with. I am sure he will be missed.
