“ Buzz Rod Tara and Grandchildren Remember all the fun times you've enjoyed with Eileen. She will be greatly missed by many as she was a loving generous person. You were always more than happy to accomodate me at the drop of a hat whenever I called for a cut. The many jokes and fun talks we would have remembering the joys of living in New Hartford and the corner lot on Beaver streest. We weren't able to make the funertal as we are in Texas but I will look you up Buzz when we get back in the spring. Have faith Eileen is in a much better place now missing you already Love and cherish her memories. Prayers Darlys and Jerry

“ Dear Buzz and Family,  
I was so shocked when I saw Eileen's obit in the paper last eve. It immediately brought to mind all the good times and fun I enjoyed with you both. You two were always so upbeat and a positive influence on everyone.  
I pray God will comfort you and your family in the days and years to come until you are all reunited.
