“ Ella Mae and I worked together on the ITAG Board for many years. I so admired her high energy and intellect. She was a wealth of information on a variety of topics. Ella Mae was a wonderful friend and rarely turned down an oppotunity to help and volunteer. I will miss her yearly Christmas card and the "catch up" notes on her family. Even though I never met all her children, I do feel like in the 30 years I knew her, I came to know her children as well. Our other connection was that Ken was my art instructor at SCI/UNI! Iowa and the Waterloo/Cedar Falls area will surely miss Ella Mae.

“ Ella Mae was one incredible woman to say the least! I had the privilege of spending many years with her as we were deeply involved with the Black Hawk Bremer League of Women Voters and working on local campaigns. Over many lunches and emails we shared our thoughts about politics, our kids and our parents among other things. Ella Mae was just the very best and I was so lucky to have known, worked with and enjoyed her all these years! I will not be in town on the 26th so will miss her service, but Ella Mae will always be with me as a treasured memory. I will never forget her spirit and her friendship. My thoughts are with you as the family she dearly loved say your goodbyes to this wonderful woman.
