“ *I am very sad to hear that Aunt Erma passed. I always loved when she and uncle Johnny would drive from Iowa to Denver in the summer. I was always amazed- no air conditioning. We would go "hunting" in the antique stores and I still love doing that to this day. I also loved to see Mr Tibbs and play with him in the back yard. When we would visit in Iowa, I loved Erma's wicker sun room and still aspire to have a room like that. She was amazing what she could do with wicker. A true artist. Erma and Uncle Johnny would always send cards for birthdays and special occasions to my children. I have a special place in my heart for Aunt Erma, she will be missed dearly. I know she is in a good place with my mom Shirley and her other sisters and mom. I love you and am sorry I could not be there today. Julie Lesnick*

“ Sorry to hear of the loss of Auntie Erma. She will be greatly missed. I still remember her working the wicker and getting it just right. She always had a smile and something to say. Alot of great people lived in that Main St. Clay St. area. Those were the days and some great memories...Frank and Pam Gibson

“ So sorry about your mom's passing, and your dad's, too. I will always remember the excitement when you all would visit us in Missouri when I was little. Your mom and dad were always so sweet! Mike, Cyndi and Linda, you were the older cousins who were always so cool! It was always so fun to see you at Grandma and Grandpa Jean's, too! Love and Hugs to you all, Jamie (Echelberry) Webster and Family
