“ I was given this web site and decided to see just who I might see that I knew. It has taken me days to look but I did find some and then I came to your mother and she looked like someone I knew. I remembered your names and sure enough it was you. Small world. I don't know if you even remember me. I was the oldest of the Davey kids that lived on the corner of the highway and had a burro in the front yard. Just wanted to say how sorry about your mother. Mom died 9-63 in Fl. because of her smoking. Dad remarried 8 years later in FL. Dad died 4-2007 in TX and step mother died 2-2009 in TX and was a lot like mom, small and blond with no kids. Long story on that too. Just wanted to touch base with you girls. Long story why we are in MO. for the third time. love and prayers to your families. You may never see this as it is so long ago.
