“ We are all immoral souls who come to earth for growth. Everyone is working on a different lesson. If it seems like Esther was dealt a difficult hand this lifetime, remember only GOD sees the complete picture. Prayers are with her & her family

“ Dear Uncle Jack, Mike & Mitch (you are the ones I know who are related to Esther),
So sorry to hear of Esther's passing!! Family is precious but can so easily drift apart. Just want you to know that I'm thinking of you & I pray that you can sense God's nearness & comfort. I don't have the perfect words but I know I can trust God to give you what you need during your grieving.....it's so hard!! I remember Esther's contagious giggle & I thought she was so pretty, just like Aunt Eunice.
With Lots of Love,

“ *Esther and I were very good friends (best) from the time we were born. I am sorry to say that after Eunice (her mom) passed away, life drifted us apart but she has always been in my thoughts and prayers. My memories of our friendship and the fun times our families spent together have always been some of the best. Her family was my family. Jack, Mitch and Mike: I hope the best for y'all and think of you often. My condolences to all of her family and especially to her son's. I am very sorry for the loss and I am always sad for how life can be sometimes. My best wishes, thoughts and prayers.*

“ *I remember Esther's beautiful smile and good singing voice when we were practicing for the family float at Elgin's Homecoming. I think John ended up with a sign from that float at a later reunion. Jesse & an AZ cousin were great on that float. Yes, Nic too.*
I hadn't seen Esther recently, so don't know first hand of her suffering , but believe and know that she is at peace now. May God bless us all.
