“*Esther and I met while we were both employed in Waterloo, IA, and she lived next door to the lady whom I lived with. After Glen and Esther married they stopped at our house to visit one time. We never were able to return the visit. I feel very bad that we are not able to attend Esther's funeral as I have had 3 surgeries for breast cancer in less than one month and am now taken radiation treatments in Mason City, Iowa.  
I (CL) will really miss Esther's letters and we will be thinking of Glen and their family. God Bless you, Glen, and your family also.*

“*Glen, I just found out that Esther passed. My extended condolences to you and your family even at this late date. My grandmother, Geraldine Williams, was so very fond of your wife and yourself. I remember all of you working together at Priebe's! What a crew you all were. If there is anything you need, please have some one send me an e-mail @ firerabbitry@yahoo.com*
