“ *Esther was my telephone friend. We met when Phil was my minister. I visited them at Western Home after they moved there. My daughter lives in CF.*

Esther and I had long chats on the telephone as I would call her while at my daughter's. She loved talking about her family and grandchildren and I enjoyed listening. She was such a dear and it was my privilege to have known both of them. My prayers are with you and I know Esther is smiling, as she is with Ellis again.
