“ My sympathy in the loss of your mother. I worked in the mail room at UNI with your mom from 1972 - 1976 when I attended college at UNI. She was a wonderful person to work with. She was always so patient with us students and so considerate of our every changing schedules. She always had a smile on her face and a pleasant greeting no matter how busy she was. My thoughts and prayers are with you during this difficult time.

“ My sympathy to family. I met Ethel when my husband and I became members of Valley View in 1970. I have always considered Ethel as a great woman of God and always there to help in whatever needed to be done. It was a sad day when here dear Jack passed. She was there for me and understood my grief when my dear husband passed in 1994. I was so glad I recently had a phone conversation with her concerning the passing of Helen. She seemed so full of life and shared about how things were going where she lived. Another wonderful charter member of VV is now rejoicing in heaven with others who have passed. May you know God is with you during your time of grief.
