“ *Tootie was like my 2nd Mom. I will truly miss her. Remember the great smells of her baking/cooking as you walked through the kitchen. Always so caring and putting others before herself. Love you all and am so sorry for your loss.*

“ Although I don't have many memories of you growing up, I know that you were a wonderful person. My Mom talks highly of you. I am so happy that I got to run into you during Sturgis Falls a couple months ago, and of course, you greeted me with a big ol' hug.

Don't cause too much trouble up there with my Grandma :)

My Condolences
