# Tribute Wall

“ I wish to offer my condolences upon the passing of your mother, mother-in-law, and grandmother. Eunice will always be remembered for living life to the fullest and for her natural readiness to extend a helping hand. In 1966, Eunice and I became colleagues in the Foreign Lanquage Department of Cedar Falls Schools. Eunice and Dorthoy Struyk immediately welcomed me, and as I reflect, became my guardian angels. After I left the German Department in 1970, Eunice and I continued to work together many more years in the English Department of Cedar Falls Schools.

Altough Eunice was "a mother figure" in many ways, she was always a dear friend. It was obvious that her family was a priority in her life.

May His love continue to guide you through these difficult days.

“ Dear Charlotte, Tom and families,  
Please accept my condolences on the death of your mother. She was a wonderful woman, and I will always remember her quick wit and sense of humor. After I moved from Cedar Falls, I would read articles in the Presbyterian Link. I could always tell the ones Eunice had written because they had her special touch. I especially enjoyed the ones about the kitchen at the church! I am grateful to your mother for the foundation she gave me in Latin. I think of her often when I teach my biology classes because much of the terminology we use is based on Latin. May your beautiful memories comfort and sustain you at this difficult time. You and your families are in my thoughts and prayers.
