“ So sorry to hear of your loss of Evelyn. She was a joy to have in the office and to work with. She was diligent and very conscientious about getting all our Pro Farmer member details correct so they would get their newsletter. She made the world a better place.

“ So sorry to hear about Evelyn from Rose as we traveled to Arizona. I too took ceramics from Evelyn. I met her at Oster Communication and we became friends. After Les and Evelyn moved, we visited them in the apartment at New Aldaya. Les was still playing and enjoying his music. We started going to the pub most Friday nights to listen to the music and visit with them. We saw her there on Friday night before we headed to AZ. I will miss her much. Linda and Rick Phillips

“ What a joy Evelyn (and Les) were to know!! Many years ago, I first met Evelyn who was a great ceramics teacher. Patient, creative.... and always smiling and willing to offer suggestions & assistance. I don't think I ever had to paint an eyelash onto any figurine face, as Evelyn would patiently do it for us! (my "lash attempts" looked like they should be on a "hooker" whereas Evelyn's would appear to belong to an angel.) 😊

The world was blessed to have both of these wonderful people on it for too short of a time... but also anyone who knew Evelyn and Les was also blessed.

My condolences to family... May wonderful memories remain in your hearts, bringing smiles to your faces.

*Most Sincerely,

“ Evelyn was such a sweetheart. We worked at Oster Communications during the same era. Although not in the same department, our paths crossed frequently during the 10 years I was there. She was extremely good at her job, very smart and well respected by fellow coworkers. It was rare to see her without a smile on her face. The impact she made in the lives of those around her is a testament to the kind of person she was. My thoughts and prayers are with you as you cope with the loss of Evelyn.
