“ *I knew Fr. Hemann when I was a high school student attending All Saints in Cedar Rapids, Iowa. He was a young priest then (early to mid 1970's) and helped a number of us organize a guitar mass, which was quite progressive for the time! We were all inspired by his energy and conviction and, it appears, as were many, many others in the years that followed. He truly made a huge difference in my life and I am grateful for the blessing that he was!*

“ *My sincere condolences to FR.John & Fr.Mel & to all the family of Fr.Ev: My prayers are with all in these days, weeks & months to come as you adjust to the absence of his physical presence. I know memories of him and all that he was & did will fill our hearts. He now will be a great "intercessor" for all of us. One memory my family will treasure beside all the wonderful "spiritual" nourishment he shared over the years, was the airplane ride he gave to my late husband, (Deacon Jerry) and two of our children many years ago. They were so thrilled & appreciative of him having done that for them. May he now rest in "Peace" & have a "Happy Eternity"!*
