“ I'm so sorry to hear about your loss. I'm praying for God's peace and comfort during this difficult time. While scanning my parent's photo albums I got to see the Hutchison family story begin with love, joy, and happiness. Through the years I saw us all grow up. As cousins I remember many get togethers at Grandma Hattie's house! We all have a lot of good childhood memories that I will always cherish and Everett was a part of those days and we will not forget him. You will all be on my mind and in my prayers. Love, Candy

“ Dear Family: Everett Hutchison was my best friend in High School. We hung out together, went to watch the stock car races in Waterloo and once took a weekend trip to Minneapolis to go see the Supremes in concert. I hope I taught him as many things as he taught me, especially as he shared his faith. While this is a sad time here, I take joy knowing the angels are rejoicing that another great saint has completed his work and taken residence in heaven. I wish I could have seen him after our high school days but our travels took us in different but the same directions. May God bless you all and may he give you peace so that you can rejoice in knowing he has returned to his maker God. Praise be to hime!

“ *Dear Family:*

*Our memories build a special bridge when loved ones have to part  
to help us feel we're  
with them still and sooth a grieving heart. Our memories span the  
years we shared,  
preserving ties that bind,  
They build a special bridge of love and bring us peace of mind.*

*God Bless each one of you, our prayers will be with you during this  
time. We wish we could be there to give you all a big hug.*
