“ Our condolences to the family.I have a lot of good memory s with Ronald & Donald,especially with your 1956 MG.I didn't know your father was gone.I was recovering from my brain cancer in 1998.I remember your Dad sending you to the store for 2 big bottles of coke.He pour them down the basement drain to clean it.It sure made that ball shine.I still think today when I'll have a coke what it would do to my stomach.
