“ For many years my coworker and I would go to Jokers in Cedar Falls for the Monday night dance. We were always so happy to see Frank there. He used to give me a great big hug and sit and chat for awhile. I will never forget Frank's smile. He used to tell me every week "I like to eat breakfast at HyVee with my Dad!". Frank will certainly be missed.

“ Deepest sympathy in the loss of your son. I am Hattie Christy's granddaughter. The memories we hold in our heart are near and dear. I beleive Frank and his mother gave my grandmother a sealyham terrier dog. That dog was so special to grandma. It lived to be 19 years old. The vet said it was unheard of. I still have many photos of Frank at River Hills Scool in my grandmothers picture alblum. I always remember the suspenders Frank wore and always loved teasing him. He was such an awesome young man. I am so glad to have been given the opportunity to meet Frank and his mother. Frank held a special place in my Grandmothers heart and also in another teachers heart Irene Twaites. Both of them are deceased now. I know Frank believed in the Lord. He is another angel in heaven. Rest in peace child of God.

“ *John and Family*

*With so much sadness I read of Frank's passing. I worked at River Hills in Mrs. Christy's room for two years in the 70's. I have so many wonderful memories of Frank but wish to share one very special one with you. One of our teacher passed away and we were all very sad. Frank listened very carefully as we were discussing Mrs. Coney's funeral and how sad we were that she was no longer with us. As only Frank with his greatness for empathy could say to bring us all back to reality, "Mrs. Coney is up in heaven with my baby Jesus. I'm so happy." God Bless you at this difficult time.*

“ *I first met Frank while he was at Windsor and I was visiting there. His greeting always brightened my day. When he moved to Dumont, I was visiting when I heard a familiar voice down the hall and there he was. He remembered me and was so glad I'd 'found' him. I will miss his greetings and hugs. Please accept my condolences.*
