“ My condolences to her family. Mrs Herwig was my favorite teacher when I attended Lincoln elementary. I was very blessed to get to know her and Milton on personal level when they became friends with my mom and dad. They were two of the nicest people you could ever meet. I just wanted to let the family know that she was a very positive influence in my life, and for that I'm very grateful to have known both her and Milton. My God give all of you His peace and comfort.

“ My condolences to the family. I work at Ms Herwig's bank and had the privlage to go and visit her a few times when she needed help a couple of years ago. I loved visiting her and her birdie! :) I have since moved to a different location so I was not at the closest branch. I still thought of her often. She was a very nice woman to help.

Thinking of your family through this time.
