“ Dorothy, I remember Bud always having change in his pocket and a set of keys. When we got together for the Holidays at your house, he was always a tease to us kids. He set up the radio so we could dance out in the driveway on Thanksgiving. And I remember them making wine in the basement. Many other memories also. I was so glad I got to give him a hug last summer, as He kind of stayed by himself the last few years. My love to you, gloria
