“ *Geraldine, such a warm, beautiful smile can only come from a warm, beautiful person ... which is how I will always remember you. I feel fortunate to have met you through Kevin ... one of my best friends ever. Knowing you, it's easy to see where Kevin got his outgoing and fun-loving personality. At the Hansen family events, it was obvious how the family loved and revered you. You made me feel welcomed like part of the family, and I enjoyed just being around you. Thank you for being such a kind, loving spirit. You will be missed, that is for certain, but our faith tells us we will see each other again ... and we'll pick up from there. Sending you, Kenny and the Hansen family hugs and love.*
