My first memories were when Gina would 4 and 5 years old. Sometimes when at grandma Jeans she attended my class in Sunday School! She was a sweetheart! Very shy, thus, very quite, but she was so cutie!

To the ones who were lucky enough to know Gina well, I can't begin to know how your hearts ache. She has the most amazing family so I can only see through them how Gina's life had such meaning. Feel a hug and know that we are going to continue ongoing with our thoughts and support.

I remember Gina as a baby and watching her sleep in her bassinet in the sun, as she was jaundice when born. Gina was a curious, smart, pretty girl. She was beautiful inside and out and loved her children more than anything. I miss her and cannot fathom how much Carter, Kira and Madeline miss their mommy.

Gina and I were great friends in high school but have not stayed in contact as much since I moved to California. One great memory was visiting my father in California, sunbathing, and eating a lobster she named "Squiggy". We went through a lot of rites of passage together during those years. I remember Gina's humor and heart. Even as a young adult I knew her family (parents, sisters, children, etc) meant the world to her. She will be terribly missed.

To Ann, Jean and the whole family: My heart aches for you concerning the pain and suffering you are experiencing. God does know and He cares. "And the Lord, He it is that doth go before thee: He will be with thee: fear not, neither be dismayed." Deut. 31:8
