“ Greetings to Gladys' family:
Just wanted to let you know just how much Gladys meant to our family. At her funeral today, I thought the ministers' words were fitting. She touched so many lives no matter what age. I truly believe Gladys had a gift of knowing when to send a letter, card, etc. to a person just at the right time. I believe we were lucky enough to have had an angel in our lives & knowing that her angelic spirit will live on in all of us. Peace to all.

“ *Jim and Gary, Gladys was a wonderful person, wonderful friend. When I think of someone who knew the art of letter writing and did it very well, I think of Gladys. She will be missed. Thinking of you.*

“ *Deepest sympathy goes out to the family, she will be missed by many. Tommy always had fond memories of her and it was a pleasure for both of us to have Gladys be a part of our wedding years ago. We always enjoyed reading the letter's she would send to us.*
